8:30 am - 12:00 pm - Penn State Health Lancaster Medical Center Tour!

The new Penn State Health Lancaster Medical Center (LMC) is approximately one year away from opening to patients. Tours of the six story, 300,000 sf hospital on a 26 acre site will highlight speed to market and Lean construction techniques including prefabrication and Co-Location facilities for the project team. The LMC will be Penn State Health's fifth acute care facility bringing a broad range of care to patients in the central Pennsylvania area.
